THEATRE EQUIPMENT

EXTENSIVE THEATRE BUILDING throughout the country created a large demand for all kinds of Brass and Bronze Railings, Grilles and other ornamentation. Exceptional facilities for the production of this material prompted us to SPECIALIZE in this particular line so that we are now prepared to supply your requirements in the smallest details.

Realizing that the consideration of this branch of the ornamental equipment is generally postponed until the "eleventh hour" we have arranged that at a *moment's notice*, we can set our entire plant in operation so as to equip a theatre in from *one to five days*, dependent on the size.

Not only do we make and install Brass and Bronze Railings but can furnish also Brass or Bronze Shelves for Fans, Grilles for Box Offices, Brass and Bronze Wire or Cast Guards for Radiators, Announcement Frames, Bulletin Boards, Frames for Mirrors in retiring rooms or lobbies, Brass or Bronze Signs of all descriptions, etc.

Where possible our representative will call. We are at all times ready to submit promptly by mail all information desired. Given the privilege of serving you, our methods, our goods and our delivery we know will prove worthy of your confidence.
